*MESSAGE FROM THE EDITOR,
IAE Members' Directory*

What an overwhelming feeling that IAE now needs a fellow's directory!!

We started awarding fellowships in 2002 and already the number of fellows has gone beyond 120.

It suffuses me with pride that the Academy is ably taking forward its mission and vision.

To stay organized and felicitate the growth we are hereby launching the 1st edition of IAE Fellow's directory. Heartfelt thanks to our President Dr H K Chopra for being the beacon of light behind this initiative.

I extend my best wishes to all the fellows.

Dr Hansa Gupta
Editor, IAE Member's Directory
Immediate Past Secretary, IAE
